Assessment and verification

All units within this qualification are internally assessed and externally verified by the awarding body. The qualifications are criterion referenced, based on the achievement of all the specified learning outcomes.

To achieve a 'pass' for a unit, learners must provide evidence to demonstrate that they have fulfilled all the learning outcomes and meet the standards specified by all assessment criteria.

Apply today - Visit London School of International Business website.

Who is this course for?

Change is a distinctive characteristic of the healthcare sector and it is the strategic managers who should be the first to respond to, and support positive transformation.

This Level 7 qualification in healthcare management provides strategic management skills for those planning to, or working in the healthcare sector both internationally and in the UK, including additional units that are specifically targeted at those working in the public sector.

Requirements

Learners must possess:

- Level 6 Award/Diploma or a bachelors degree or any other equivalent qualification

- or
- 5 years or more of work experience in case you do not hold any formal qualification
and
 - Learner must be 18 years or older at the beginning of the course

Please get in touch with the admissions team for more information. Visit **London School of International Business** website and chat with the admissions agents for more information.

Career path

Passing the Level 7 Diploma in Healthcare Management enables learners to progress into or within employment and/or continue their further study.

As this qualification is approved and regulated by OfQual (Office of the Qualifications and Examinations Regulation), learners are eligible to progress to Master's top-up programmes at many universities in the UK and overseas with advanced standing.
